# **Services Provided**

The Reagan Ranch Metropolitan District No. 1 ("the District"), a quasi-municipal corporation and a political subdivision of the State of Colorado, was organized by order and decree of the District Court for the City of Colorado Springs, El Paso County, Colorado on August 25, 2020, and is governed pursuant to provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes).

The District was organized to provide for the planning, design, acquisition, construction, installation, relocation, and redevelopment of public improvements. The District is the Operating District organized in conjunction with two other related Financing Districts – Reagan Ranch Metropolitan District No 2 and 3. The District serves as a Financing District. District No. 3 (Operating District) will pay all vendors of and receive reimbursement/contributions from the Financing Districts. The District will levy ad valorem taxes on taxable properties within each District and assess fees, rates and other charges as authorized by law. The District's service area is located entirely within the City of Colorado Springs, El Paso County, Colorado.

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

#### Revenues

# **Property Taxes**

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

# **Revenues** – (continued)

# **Property Taxes** – (continued)

Pursuant to the Service Plan, the District is required to adjust its maximum Required Mill Levy for changes in the ratio of actual to assessed value of property within the District. As of December 31, 2025, the adjusted maximum mill levy for debt service is 51.971 mills. Required Mill Levy means an ad valorem mill levy imposed upon all taxable property of the District each year in an amount sufficient to pay the principal, premium if any, and interest on the Bonds as the same become due and payable [and to make up any deficiencies in the Reserve Fund].

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.

For property tax collection year 2025, SB 22-238, SB 23B-001, SB 24-233, and HB24B-1001 set the assessment rates and actual value reductions as follows:

Category	Rate	Category	Rate	Actual Value Reduction	Amount

# Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 10% of the total property taxes collected.

#### Investment Income

Interest earned on the District's available funds has been estimated based on historical interest earnings.

# Intergovernmental Revenue

The District anticipates receiving net revenues collected from District No. 2's debt service mill levy assessment.

# **Revenues** – (continued)

# Bond Issuance

The District issued Limited Tax General Obligation Bonds, Series 2021 and anticipates issuing additional Bonds in 2025.

# Expenditures

#### **Intergovernmental Expenditures**

Pursuant to an Intergovernmental Agreement with Reagan Ranch Metropolitan District No. 3, the District is obligated to transfer all General Fund revenues, net of fees, to assist in the payment of operating expenses.

# **County Treasurer's Fees**

County Treasurer's collection fees have been computed at 1.5% of property taxes.

# **Capital Outlay**

The District plans to accept the costs of eligible public improvements costs paid for by the Developer, based on costs certified by the District Accountant and Engineer. The budgeted amounts are based on an estimate of those costs.

#### **Debt Service**

Principal and interest payments are provided based on the expected cash flow of the District's Debt Service Revenues and the current information on the anticipated 2025 Bond Issuance.

### Debt and Leases

On December 1, 2021, the District issued Limited Tax General Obligation Bonds, Series 2021 (2021 Bonds), in the principal amount of \$17,890,000 for the purposes of paying and reimbursing the costs of capital infrastructure improvements. The Series 2021 Bonds have an anticipated maturity date of December 1, 2051 and carry a fixed interest rate of 5.250%.

The District has no operating or capital leases.

#### Reserves

#### **Emergency Reserve**

TABOR requires local governments to establish Emergency Reserves. These reserves must be at least 3% of fiscal year spending. Since substantially all funds received by the District are transferred to Reagan Ranch Metropolitan District No. 3, which pays for all the District's operations and maintenance costs, the Emergency Reserve for these funds is reflected in the budget of Reagan Ranch Metropolitan District No. 3.
